The Beauty Academy Faculty & Staff

This student catalog is the official guide of the programs, requirements, and regulations of The Beauty Academy and students enrolling in the school are subject to the guidelines stated herein. All information contained in this student catalog including but not limited to fees, charges, courses, requirements, and conditions are subject to change by officials of The Beauty Academy without prior notice.

Mission Statement

The mission of The Beauty Academy is to develop in our students the highest possible degree of technical and professional competence, to pass the Georgia State Examination to be licensed in their chosen fields and secure chosen career positions.

We train each of our students in the principles and practices of cosmetology, esthetician, nail technician, and cosmetology instructor. The Beauty Academy is continually providing each of our students with marketable skills and professional attitudes. These attitudes emphasize responsibility and commitment to self, employers, colleagues, clients, and community.

Our objective is to train each student in the technical and social skills necessary to be a successful, competent cosmetologist, esthetician, nail technician, and cosmetology instructor. Instruction takes place through a combination of theory class, practical work, clinic experience, group, and individual activities. At the completion of one of our programs, the student is prepared for Master Cosmetology, Esthetician, Nail Technician, and Cosmetology Instructor.

Pro-Rata Refund Policy for Veterans Affairs Beneficiaries

The Beauty Academy's Refund policy for students receiving Veterans Education benefits (ONLY):

Individuals utilizing Veterans Affairs (Va) education benefits, the school will refund the unused portions of prepaid tuition and fees on a pro-rata refund basis. Any amount in excess of \$10.00 for an enrollment or registration fee will also be prorated.

ACADEMIC PROGRESS EVALUATIONS

The qualitative element used to determine academic progress is a reasonable system of grades as determined by assigned academic learning. Students are assigned academic learning and a minimum number of practical experiences. Academic learning is evaluated after each unit of study. Practical assignments are evaluated as completed and counted toward course completion only when rated as satisfactory or better (the computer system will reflect completion of the practical assignment as a 100% rating). If the performance does not meet satisfactory requirements, it is not counted, and the performance must be repeated. At least two comprehensive practical skills evaluations will be conducted during study. Practical skills are evaluated according to text procedures and set forth in practical skills evaluation criteria adopted by the school. Students must maintain a written cumulative grade average of 70% prior to graduation. Students must make up failed or missed tests and incomplete assignments. **To maintain eligibility for GI Bill benefits students MUST make 75% average on academic work. Must make a 75% average on exam.** Numerical grades are considered according to the following scale:

90 - 100	EXCELLENT
80 - 89	VERY GOOD
70 - 79	SATISFACTORY
60 - 69	UNSATISFACTORY
59 and below	FAIL

DETERMINATION OF PROGRESS STATUS

Students meeting the minimum requirements for academics and attendance at the evaluation point are making satisfactory academic progress until the next scheduled evaluation. Students will receive a hard copy of their Satisfactory Academic Progress Determination at the time of each of the evaluations. Students deemed not maintaining Satisfactory Academic Progress may have their Title IV Funding interrupted, unless the student is on warning or has prevailed upon appeal resulting in a status of probation. ***We are not approved for Title IV funding.**

WARNING

Students who fail to meet minimum requirements for attendance or academic progress are placed on warning and considered to be making satisfactory academic progress during the warning period. The student will be advised in writing on the actions required to attain satisfactory academic progress by the next evaluation. If at the end of the warning period, the student has still not met both the attendance and academic requirements, he/she may be placed on probation if the student has prevailed upon an appeal and if applicable, students may be deemed ineligible to receive Title IV funds. ***We are not approved for Title IV funding.**

PROBATION

Students who fail to meet minimum requirements for attendance or academic progress after the warning period will be placed on probation and considered to be making satisfactory academic progress while during the probationary period, if the student appeals the decision, and prevails upon appeal. Additionally, only students who have the ability to meet the Satisfactory Academic Progress Policy standards by the end of the evaluation period may be placed on probation. Students placed on an academic plan must be able to meet requirements set forth in the academic plan by the end of the next evaluation period. Students who are progressing according to their specific academic plan will be considered making Satisfactory Academic Progress. The student will be advised in writing on any potential impact on their financial aid eligibility and of the actions required to attain satisfactory academic progress by the next evaluation. If at the end of the probationary period, the student has still not met both the attendance and academic requirements required for satisfactory academic progress or by the academic plan, he/she will be determined as NOT making satisfactory academic progress and, if applicable, students will not be deemed eligible to receive Title IV funds. ***We are not approved for Title IV funding.**

LEAVE OF ABSENCE POLICY

A leave of absence (LOA) is a temporary interruption in a student's program of study. It does not include non-attendance for an institutionally scheduled break in a student's program. A leave of absence must meet certain conditions to be counted as an LOA instead of being counted as a withdrawal. If a leave of absence does not meet the conditions, the student is considered withdrawn from the school, and the school will perform a return calculation (see Refund Policy). Conditions to qualify for a LOA are as follows: medical, family, emergencies. The institution may grant an LOA to a student who did not provide the request prior to the LOA due to unforeseen circumstances if: The institution establishes the start date of the approved LOA as the first date the student was unable to attend.

1. There must be a reasonable expectation that the student will return from the LOA;

2. A student returning from an LOA must resume training at the same point in the academic program and in the payment period or period of enrollment that she/he would have been in if she/he had not been on leave;

3. We will not assess the student any additional institutional charges as a result of the LOA;

4. The student must follow the school's policy in requesting the LOA. Student's LOA must be made in advance, in writing, including the reason for LOA and sign the request for an LOA unless unforeseen circumstances prevent the student from doing so, e.g.: if a student was injured in a car accident and needed a few weeks to recover before returning to institution. We may grant a LOA to a student who did not provide the request prior to the LOA due to unforeseen circumstances. We will document the reasons for decision to grant the LOA, will collect the documentation, and get proper signatures from the student at a later date;

5. We will approve a student's request for a LOA in accordance with the school's policy;

6. A student will not be granted an LOA if the LOA, together with any additional LOAs previously granted, exceeds a total of 180 calendar days in any 12 month period.

7. The school has the right to approve or disapprove the LOA request. The student's contract period will be extended by the same number of calendar days taken in the LOA. Changes to the contract period on the enrollment agreement must be initialed by all parties or an addendum must be signed and dated by all parties. A student granted a leave of absence that meets the criteria in this section is not considered to have withdrawn, and no return calculation is required. However, if a student does not return by his/her scheduled return date of the LOA, the student will be dropped and a withdrawal calculation will be performed using their last day of attendance. The student will be withdrawn if the student takes an unapproved LOA or does not return by the expiration of an approved LOA, and the student's withdrawal date for the purposes of calculating a refund will be the student's last date of attendance. Upon the student's return from the leave, she/he continues to earn In-House financing previously awarded for the period.

NAIL TECHNICIAN

NAIL TECHNICIAN Syllabus (600 Clock Hours) (CIP #12.0410, SOC # 39-5092)

The curriculum for students enrolled in the Nail Technician program consists of 600 clock hours of Practical Operations and Technical Instruction in the art and science of spa manicuring, which will include at a minimum the State mandated subject hours listed in the chart below. The program provides the student with the knowledge and skills needed for an entry-level spa manicurist/nail technician position in the beauty and wellness industry. Students will learn the State Board requirements for disinfection, sanitation, and safety, as well as basic manicures, pedicures, acrylics, gels, wraps and application of nail tips. Students

will learn spa consultation for nail services with an emphasis on creating a “customized spa experience”. This program of study satisfies the requirements of the Georgia State Board of Cosmetology and Barbers.

THIS COURSE EXCEEDS THE STATE REQUIREMENT BY 75 HOURS. WE BELIEVE THAT ADDITIONAL HOURS IN SANITATION AND DISINFECTION PRACTICES AND NAIL ENHANCEMENTS ASSIST OUR GRADUATES IN PASSING THE STATE EXAM AND SECURING EMPLOYMENT.

VETERANS SECTION

(Specifically applies to those students using veteran education benefits)

TRANSFER OF HOURS POLICY

A student must submit a transcript of hours from the previous institution. The Beauty Academy has the right to accept all, part, or none of the transfer hours accumulated at the said institution. Purpose: To ensure that our students are fully prepared for the state board Transfer hours in a way that allows the student to be scheduled with other students Process: Official Transcripts Received by School Remove from consideration any courses from another school that

are below 75% Administer theory chapter tests on remaining courses from other schools over 75%

Any chapter test taken that score over a 75% is eligible for transfer. Eligible hours are then evaluated as to the ability to schedule those hours in a way that allows the student to be grouped with other students in a complete block. If those hours can be grouped by an entire block, they will.

be awarded. If they are not able to be grouped, then they will not be awarded.

ALL TRANSFER ATTEMPTS MUST BE MADE PRIOR TO A STUDENT

STARTING SCHOOL. Satisfactory Academic Progress (SAP) Policy Evaluation Period (based on actual hours completed) Students receiving veteran education benefits will be evaluated for Satisfactory Progress at 450, 900, and 1000 hours for the Esthetics, 450, 900, 1250 and 1500 for Cosmetology, and 300 and 600 for Nail Technician. Students receiving veteran education benefits of the approved clock hour program need to complete in less than 110% of the total length of the program. In no case are Veteran benefits used past 110% of the total length. The VA will not pay for additional hours, but the veteran student may complete the program using other funding. Warning The first time a veteran student fails to meet the minimum requirements for SAP during an evaluation period, he/she will be placed on a warning period. During this time, the student will still be making satisfactory academic progress (SAP). The student

will be advised in writing on the actions required to attain SAP by the next evaluation. If at the end

of the warning period (next evaluation period) the student has still not met both attendance and academic requirements, they will be terminated from the program. The student may appeal against

the non-satisfactory academic progress decision (see below – Appeals). Those students meeting attendance and academic requirements at the end of the warning period will be

making SAP. 26 Appeals Rules cannot be written that will apply to every situation in every school.

Therefore, any policy established by the school may be appealed due to mitigating circumstances.

If a student wishes to appeal a non-satisfactory academic progress determination, it must be done in writing and contain reasons such as the death of a relative, an injury or illness of a student, or other mitigating circumstances. Students must also provide documentation supporting this claim with a statement including changes in the student's situation that will allow the achievement of satisfactory academic progress at the next evaluation. All appeals and results of the appeal are documented in the student's file. Anyone wishing to appeal against a policy must do so using the appeals form and attach any applicable documentation.

The appeal will be reviewed by appropriate personnel and a determination will be made.

All decisions on appeal are final. Appeals regarding a failure to meet the Satisfactory Academic Progress (SAP) must be made within 15 days of the negative determination. Should the student fail in his/her appeal, they will be terminated from the program. Note: The VA will be notified of veteran termination for lack of satisfactory academic progress and student benefits may be impacted.

Any Student using VA benefits that wishes to continue attending The Beauty Academy may need to apply for financial aid or assume personal responsibility for continuing to attend The Beauty Academy. Probation Students who fail to meet minimum requirements for attendance or academic progress at the end of the Warning period, can appeal their case based on mitigating circumstances. Probation is not a guarantee as it is at the discretion of the Administrators and information will be gathered to determine if the student can make SAP by the next evaluation

period. If the student does not meet all necessary requirements and is unable to make SAP, the appeal will be denied and the student receiving Veteran Benefits will be terminated from the program.

When administrators decide in favor to grant mitigating circumstance status, the student will be placed on probation and considered to be making SAP, a minimum of 80% attendance and 75% grade average, while on the executed academic/performance plan probation period. If the student fails to execute the set academic/performance plan to meet SAP requirements during the probationary period, the student will be terminated and dismissed from the program.

The student will be advised in writing of the actions required to attain satisfactory academic progress by the next evaluation. Students placed on probation must have an academic plan and be able to meet the requirements set forth in the academic plan by the end of the next evaluation period. Students who are progressing according to their specific academic plan will be considered for making SAP. If at the end of the probationary period, students that have met the SAP standards will be taken off probation.

Those students that have still not met both attendance and academic requirements required for satisfactory academic progress or by the academic plan will be determined as NOT making satisfactory academic progress and terminated from the program. VA educational benefits will be discontinued when the veteran or eligible person ceases to make satisfactory academic progress.

Note: Any student receiving VA benefits cannot have two consecutive missed SAP's. No more than two terms (evaluation periods) on warning/probation will be permitted. For example, if a student does not meet the SAP requirement at 450-hour evaluation and again at 900-hour evaluation they will be terminated and dismissed from the program.
